Finger Lakes Area Service Committee Guidelines

Finger Lakes Area guidelines were created to give direction, purpose and guidance to our Area Service Committee. They were created based on a collection of experience from Narcotics Anonymous members, the NA guide to Local Service manual, and other WSO service materials as well as the existing Finger Lakes Area Guidelines. Rather than have a “hard fast policy”, we have chosen to create guidelines that refer to established WSO service guidelines where possible. These guidelines were written to give direction to the ASC on conducting business, electing trusted servants, handling funds and delivering services to the fellowship of Narcotics Anonymous in our area. Common sense, direction from our groups, and the will of a Higher Power, will, hopefully, be sufficient to guide us through issues this guide does not address.

The Finger Lakes Area Service Committee of Narcotics Anonymous here after known as FLASCNA is a committee whose members consist of Group Service Representatives (GSR’s) from groups within the Finger Lakes Area and officers elected by the GSR’s to fulfill specific duties as set forth within these guidelines. FLASCNA meets at 10:00AM on the 2nd Sunday of each month with the exception of May which will be the 3rd Sunday at 3000 Fallbrook Street, Geneva, New York. All subcommittees or ad-hoc committees of FLASCNA will also meet at 3000 Fallbrook Street, Geneva, New York.

Guide is defined as an indication or outline of future policy or conduct. Webster’s 3rd rd new International Dictionary.

THE TWELVE TRADITIONS

We keep what we have only with vigilance, and just as freedom for the individual comes from the 12 Steps, so freedom for the groups springs from our Traditions. As long as the ties that bind us together are stronger than those that would tear us apart, all will be well.

1. Our common welfare should come first; personal recovery depends on N.A. unity.
2. For our group purpose there is but one ultimate authority-- a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for membership is the desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or N.A. as a whole.
5. Each group has but one primary purpose-- to carry the message to the addict who still suffers.
6. An N.A. group ought never endorse, finance, or lend the N.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every N.A. group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever non-professional, but our service centers may employ special workers.
9. N.A. as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.

10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principals before personalities.

THE TWELVE CONCEPTS

1. To fulfill our fellowship's primary purpose, the N.A. groups have joined together to create a structure that develops, coordinates, and maintains services on behalf of N.A. as a whole.
2. The final responsibility and authority for N.A. service rests with the N.A. groups.
3. The N.A. groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision making processes.

10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. N.A. funds are to be used to further our primary purpose and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

SERVICE PRAYER

“God, grant us knowledge that we may write according to Your Divine precepts. Instill in us a sense of your purpose. Make us servants of Your will and grant us a bond of selflessness, that this may be truly Your work, not ours- in order that no addict, anywhere, need die from the horrors of addiction.”

AREA SERVICE COMMITTEE DESCRIPTION

Introduction (taken from the Guide to Local Service pg. 45-46, 2002 version)

“Workhorse” of the service structure-maybe that’s the best way to describe the area service committee. Most of the hands-on work of delivering NA services to the groups and the community occurs at the area level. NA groups support meetings where addicts can share their recovery with one another. Only minimal organization is necessary to hold those meetings. But there are lots more that can be done to further the aims of Narcotics Anonymous.

-NA panel presentations at addiction treatment centers and correctional facilities can reach addicts particularly in need of what we have to offer.

-Public information presentations to schools and community groups, mailings to addiction treatment professionals, meeting notices in newspapers, and public service announcements on local radio and television stations can help direct people to N.A.

-Directories showing where and when NA groups in the area hold their recovery meetings can help addicts and others find nearby meetings being conducted at times convenient to them.

-A phone line service can help addicts seeking recovery find a meeting in their area. It can also provide information about NA to interested community members.

-A ready supply of NA books and pamphlets can make it easier for groups to stock literature tables.

-Social activities can help addicts feel more comfortable in their local NA community and increase unity and camaraderie among area members.

All of these services require a certain degree of organization, the complexity of which could easily divert NA groups from the week-in week-out task of conducting Narcotics Anonymous

meetings for their members. Most of these services also require more money and manpower than any single group could possibly muster. How do groups stay focused on their primary purpose and still see that other services are developed and maintained? In the words of NA's 9th tradition, they "create service boards or committees directly responsible to those they serve". And the service committee closest to the groups and the community is the area service committee.

THE AREA COMMITTEE AND OTHER NA SERVICES

(Derived from the Guide to Local Service page 46)

Area service committees are ultimately responsible to the groups they serve. An NA group is any meeting that meets regularly at a specified place and time, providing that it follows the Twelve Steps and Twelve Traditions of NA. NA groups send group service representatives (GSR's) to serve on the area committee. While still maintaining final responsibility and authority for area services, they invest enough delegated authority in their GSR's-and through them, in the area service committee-for the necessary work to get done. NA groups also send money to the area committee, money needed to coordinate panels, maintain phone lines, and conduct public relations activities. Through their contributions of money and manpower, the groups exercise both their responsibility and their authority for NA services.

11. Participating members: All members of Narcotics Anonymous are participants at FLASCNA and as such have the right to request the floor.

The process that the Finger Lakes Area uses to invite a loving Higher Power into our decision making is consensus based rather than voting. Consensus is a process where after open discussion,

no one has strong opposition. This allows for consideration of all viewpoints and the single voice of dissent to be heard. Any participant may present proposal for consideration. This allows for clarity on an issue we want group conscience on. Debate will then be heard and the ASC Facilitator may ask if we find the proposal acceptable when he/she feels we are in agreement. The minority opinion should always be heard and considered by all participants. If we are not in agreement, we may need further discussion unless the body as a whole feels comfortable with the overall consensus. We may feel the need to send the proposal to the groups themselves to provide direction. Any issue sent to the groups would get priority in an old business session at the next ASC. All subcommittees should have their own guidelines, when necessary, for each subcommittee that it serves.

PARTICIPATION PRIVILEGES

1. GSR's fully participate no matter what session of business we are in during the ASC, unless voting privileges are suspended due to three consecutive absences without notification to the ASC facilitator or Assistant Facilitator. It is the GSR's responsibility to inform one of these two area officers of their absence prior to the ASC meeting. Participation privileges will be resumed on the second consecutive ASC attendance.
2. ASC officers and individual area members may fully participate in all sessions EXCEPT for old business. Only GSR's will participate in old business. GSR's are the only ones that can vote on proposals.
