Guidelines

Submitted copies of new ASC forms. Proposal form and GSR report. Both passed. Will modify guidelines so that the misappropriation form signed by an individual is universal across any committee that they serve on for that calendar year. Discussion was brought to the table of possible six tradition violation of allowing NAR-NON space at the SOL convention. After some discussion it was decided that it was possibility best suited to address this in the individual committees until a solution could be presented to the ASC.

Upon receipt of statement from bank there was several discrepancies noted. These were corrected. Rent check was voided last month so we will pay for both months today. Last month's deposits were under calculated so we will be writing a second check to region to align with our donation guidelines.

Facilitator Agenda

Jail orientation is progressing. Dave G has been in communication with the Seneca County? Sheriff towards getting individuals orientated.

Meeting closed at 12pm with a moment of silence and the Third Step Prayer.

In making the deposit I found that I forgot to add in some Receipts from last months area donations. This was a deposit of 203.00 Not 128. This would mean we owe Regon 7.50 more. This also check number 1845 to the border City fire was voided to a misswrite we will be writing a 5300 check to them today. I'm making the deposit last month there is a discrepancy of \$31.20 between the bank and our ledger. I sat down with Marty R on 2/4/2014 after talking with the bank the error can not be found. ~~So we~~ edited we think this was a wrong number wrote in the ledger at the begining of last year between Dec 17 and Jan 18. We have edited the check book to match the bank. I'm doing so here are some ^{prob} ~~the~~ Number will be 13.00 to Regon. So will be 20.50 to Regon.

PROPOSAL # 1

MAKER Dennis M

POSITION OR TITLE PR Fac

I PROPOSE THAT FLASCNA merges/shares our volunteer phone line with Route 13 Area and Western Finger Lakes Area

INTENT To have one shared volunteer pool for the rural Finger Lakes Areas.

FINANCIAL IMPACT None at present
If we exceed 1000 minutes in a month, there will be additional cost. ~~XXXXXX~~ For perspective though
→ 2017 (Full Year) = 1106 min / 312 peak 2018 (Full Year) = 933 min / 187 peak ←

POLICY AFFECTED None at present as there is nothing in our guidelines that forbids shared services. Our PR guidelines would still cover operation of the phone line.

RATIONALE BY MAKER By working together we increase both our volunteer pool and the reach of those volunteers to help addicts. It simplifies reaching a recovering addict in the rural Finger Lakes. All of that greatly improves our ability to fulfill our primary purpose.
